Marital status: . . . . Married

Work experience

2004 - 2013

EETC (Egyption Electricity Transmission Company)
Junior Telecommunication Engineer

Responsibilities

- Studying specification, condition & contract.
- Supervision of installation and commissioning of Fiber Optic & SDH networks.
- Supervision of Fiber Optic & SDH test executed Point to point & global test.
- Supervision of induced current measurement tests of ADSS cables.
- Survey all the new links add to the network.

2013 - 9/2016

EETC (Egyption Electricity Transmission Company)
Senior Telecommunication Engineer

Responsibilities

- Design and write down network specification.
- Execute the training program for new engineers and technician.
- Also I am a member of EETC Studying and Development Committee which concerning with Studying of all EETC Optical Networks and all the available communication channels to be leased to other vendors and concern with building team work for installation all type of fiber optics cable

9/2016 - Now

EETC (Egyption Electricity Transmission Company)
OHTL Senior Project Engineer

Responsibilities

- Supervision of OHTL installation
- * Projects:
- - Itay Al-Baruod / Boroulos PS 500 k.v (105 km) end in 29-5-2017.
- - AL-Nubariyya PS / Cairo500 IN/OUT to Wadi Al-Natroun500 500 k.v (13 km) under construction.
- - Wadi Al-Natroun / Abu Al-Matameer 500k.v (132 km) under construction.

Other professional experiences, references

- FO (Fiber Optics) Installation, Tests, Maintenance & commissioning All Type of cables

- SDH (Synchronous Digital Hierarchy) Installation, Tests, Maintenance & commissioning
- Projects:
- Supervision Installation (Life Installation), Testing & Commissioning of Optical Fiber cables of Main As-Sadat – Main Al-Bustan 220 K.V 2016 Length:47 km Type: OPGW
- Supervision Installation (Life Installation), Testing & Commissioning of Optical Fiber cables of Main Al-Bustan – Main Abu-AlMatameer 220 K.V 2016 Length:38 km Type: OPGW
- Supervision Installation, Testing & Commissioning of Optical Fiber cables of Kafr Al-Zayat – Abo Keer500 K.V 2012 Length:100 km Type: OPGW
- Supervision Installation, Testing & Commissioning of Under ground Optical Fiber cables of Hosh Isa / Abu AlMatameer 2012 Length:16 km Type: UGOP
- Supervision Installation, Testing & Commissioning of Optical Fiber cables of Al-Nubaria PS –SediKreer500 K.V 2009 Length:131km Type: OPGW
- Supervision installation of West Delta Regional Control Center (WDRCC) (2004 – 2007) 754 km ADSS, 93 km UGOP& 94 km OPGW. 52 SDH and 5 PABX
- For example but not limited to.

Education

| 1995 - 1998 | Al-Mahmuodiya secondary school for boy, Al-Mahmuodiya |
| | Secondary school |

1999 - 2003	Faculty of engineering, Alexandria university
	Electrical (Communication & Electronics section) Grade : Good
	(Graduation project :Access control system with infrared Grade: Excellent)

Certificates and Courses

Course preparation in PMP(Project Management Professional)
Arab academy for science and technology

Basic Protection for electrical systems
Network Training Center (CAIRO) Mars 2016

Management for reactive power compensation
Network Training Center (CAIRO) December 2015

Continuous performance of power system & Instrument
Network Training Center (CAIRO) October 2015

Conversational English 3
Administrative & Financial Center (Cairo) September 2015

Conversational English 2
Administrative & Financial Center (Cairo) May 2015

Conversational English 1
Administrative & Financial Center (Cairo) April 2015

Preparation and awarding of tenders

Administrative & Financial Center (Cairo) July 2012

Building and managing effective work team

Administrative & Financial Center (Cairo) February 2011 – March 2011

Leadership & Management Skills

Administrative & Financial Center (Cairo) October 2010

OPGW & ACCESSORIES TRAINNING

Prysmian Cables and Systems (SPAIN) April 2010

Programmable Logic Control Level1

ALFATECH Group (Alex) May 2009

PABX Introduction,administration & maintenance

Alcatel BREST (FRANCE) (June 2006)

Course in Synchronous Digital Hierarchy (SDH)

Network Training Center (CAIRO) Mars 2006

UNIX fundamental

Arab Academy , Alexandria, Egypt August 2005

Other skills and abilities

Language proficiency:

| Arabic | ★★★★☆ | expert, interpreting |
| English | ★★★☆☆ | active |

Driver's license: Groups **B**

Other skills and abilities:

Computer skills :

1. Windows (all version)

2. Office 2010

and others

Internet skills :

Front End Devolment

1. HTML

2. CSS

3. JavaScript

4. JQuery

5. Bootstrab

6.Node.js

7.Sass
